Hangings of the Greens This year we will be decorating the Sanctuary and Narthex on

Sunday, November 19th. After Church next Sunday we will all gather for a light lunch supplied by the Deacons. Then we will all get to work. We need ALL of you to participate. Remember, many hands make light work.

Hooray! *A View from the Steeple*, is now ready for your purchase and enjoyment. After what seems like months of preparation, this wonderful book has been published and is available. Copies of *A View from the Steeple* are available at the Fair Trade Shop. The book is also available from Amazon books as a paperback and as a kindle book. Proceeds from the sale of this book will be used for the care and maintenance of the interior and exterior of the Stone Church building and for the archival preservation of historical materials.

The Country Pantry: The Country Pantry will be collecting foods needed for the holidays; boxed stuffing, boxed potatoes, cranberry sauce, vegetables, canned yams, turkey, gravy, canned veggies or whatever you wish to donate. Monetary donations will be used for eggs, bread and cheese. Please mark the check as "holiday food". Remember the 3rd Sunday is collection day at the church, **however**, feel free to donate anytime.

Hope House: has a special request for dinner plates and dry cereal. Please contact Ceil Gilbert (853-8289) if you have any questions.

The Fair Trade Shoppe: Holiday Hosting! Get ready to dazzle your guests and create unforgettable fall and holiday gatherings! We have a lovely collection of serveware with pieces that add a touch of magic to your entertaining. Style is in season! Carved from palewa stone and accented with copper paint, our Stone Salt & Pepper Shakers bring more to the table. Descendants of the workers who built the Taj Mahal use the same tools and methods to achieve intricate soapstone carvings and inlay for beautiful and decorative pieces. Never leave your dish at a potluck again! Your casserole will always stand out when it's nestled in our colorful Casserole Dish Kaisa Basket. It is made of natural and dyed kaisa grass in shades of dark blue, teal green and orange and wrapped in jute twine to create this square-shaped basket.
